

## TRAVEL VACCINATIONS

We are only able to provide the NHS funded Vaccinations recommended for travel. You will need to seek travel advice from another service, often available at Pharmacies (for example Boots at Locking Castle, Morrisons at Locking Castle or Nomad Travel Clinic in Bristol).

If you require the NHS vaccinations simply return to the practice, with the form below completed, and book the next available appointment with a Practice Nurse. If the next available appointment is not soon enough for your travel needs then you will need to pay for the injections at the Travel Service. If you need your immunisations within 4 weeks of your request, it may be unlikely that we will be able to accommodate you, as to do so would impact the care we provide to our registered patients.

You might find visiting the NHS Choices website ([www.nhs.uk](http://www.nhs.uk)) helpful.

Please find attached a summary of your vaccinations according to our records.

Practice Staff – please print Immunisations (in Emis, go to Care History and select Immunisations)

I have attended a travel advice service and they have recommended I have the following vaccinations (Please tick).

- Diphtheria, polio and tetanus (combined booster)
- Hepatitis A
- Typhoid
- Cholera
